ALL NEW Sporty Blacked-Out Styling!

Great for Indoor & Outdoor Use!

Buzzaround 3-Wheel GB107 4-Wheel GB108

The new and improved Buzzaround LT scooter is the smallest, lightest, and most portable Buzzaround scooter to get you where you want to go in comfort and style! Offered in both 3-wheel and 4-wheel models, upgrades include a sleek and sporty blacked-out design, a lightweight padded stadium-style seat, contoured hand grips, and a longer adjustable tiller for the ultimate driving experience. The new Buzz LT features a color display on the console, clear-coated plastic color through shrouds (red installed and blue included in the box), scuff guard on the foot deck, and additional side reflectors for added safety. With a weight capacity of 300 lbs., it also has increased foot room, a convenient charging port on the tiller, and a rugged hard plastic basket. Enjoy its indoor maneuverability and smooth outdoor ride with 2.5" of ground clearance! **The GB108 4-W scooter offers our new MicroTurn™ technology with an impressive 41.75" turning radius to navigate even the tightest spaces with ease!**

FDA Class II Medical Devices designed by Golden Technologies
are intended to assist persons with chronic physical disabilities.

Standard Features:

- 300 lb. weight capacity
- Lightweight, padded stadium-style seat
- Ergonomic hand grips
- Non-slip deck with scuff guard
- Clear-coated, durable color through shrouds
