A message from Rich Golden, CEO

Rich Golden pictured with his children, third generation Golden Team Members!
Pictured left to right: Rich Jr., Alyssa, Rich & Mike.

Golden has always stood for comfort, quality, and innovation. Since 1985, Golden has built mobility products that help people move with confidence—designed for dependable performance, lasting comfort, and everyday freedom.

Our scooters and power wheelchairs are engineered for smooth maneuverability and reliable handling, so you can go where you want to go—indoors and out—with greater independence.

Thank you for trusting Golden. We're proud to build America's favorite scooters and power wheelchairs—for your family, and ours.

OUR VISION...

To build the most innovative and comfortable products that put you and your family's lives in motion.
